2. In 2 to 3 sentences, tell us WHY you want to complete an ALX tech program.

I want to complete the ALX Software Engineering program to build strong technical skills and hands-on experience in software development. This program's practical approach will prepare me to excel in the tech industry and contribute meaningfully to real-world projects.

3. In 2 to 3 sentences, describe the Global **Challenge** and Global **Opportunity** that resonated with you the most. Tell us why.

"The digital divide resonates with me the most, as many communities lack access to technology and the internet, limiting education and growth. Bridging this gap offers a chance to empower individuals and create a more inclusive, connected world."

4. The Daily 3 are not practices exclusively for tech professionals, but they have all been proven to improve professional productivity, focus, mood, and decision-making. Which Daily 3 activity (Movement, Morning Pages, or Mindfulness Meditation) do suspect will be most beneficial to you? Why?

Example Answer: "Mindfulness Meditation seems most beneficial to me because it helps improve focus and reduces stress, enabling better decision-making."

5. How excited are you to start building a habit of practicing at least 1 of the Daily 3 every day?
