- Tech Quickie (https://www.youtube.com/@techquickie)
- The Verge (https://www.youtube.com/channel/UCddiUEpeqJcYeBxX1IVBKvQ)

(/)

industry, and start building their careers in tech.

Remember that ALX is in the business of nurturing future African leaders. Therefore, take this opportunity to participate in these communities. It's always fun and a fantastic opportunity for networking that will ultimately give you access to partnerships, jobs and who knows, you might meet your future co-founder in one of these spaces!
